

# 2018-2019 EXECUTIVE GOALS

## Promoting Safety

- Support campus safety through the implementation of crosswalk technology
- Advocate for pedestrian safety
- Reevaluate and advance student night-time riding services

## Cultivating Campus Life

- Incorporate student feedback on upcoming parking and transportation plan
- Integrate student feedback in upcoming dining changes
- Create and utilize a Housing Task Force
- Support and see-through the renovation of the Student Act
- Establish a localized power source on Samford Lawn
- Increase accuracy and efficiency of the student athletic ticketing system
- Secure additional funding to help grow and empower Student Activity Portfolios

## Enabling Student Success

- Launch Auburn student and faculty mentorship lunch program
- Recruit and retain qualified students from low socio-economic status through the American Talent Initiative
- Advocate for the establishment of student financial literacy services
- Explore providing on-campus legal services for students
- Add graduate test preparation materials to the library textbook reserve
- Advance the Auburn University Internship Housing Initiative
- Increase the amount of student employment opportunities on-campus

## Increasing Inclusive Representation

- Institute avenues to strengthen civic engagement among students
- Incorporate non-voting members within the Student Senate to expand student voice
- Improve the AuburnAnswers initiative to more effectively manage and utilize student feedback
- Emphasize and ensure outreach projects serve all student populations
- Revitalize and promote Schools Council within each college

**VISION:** Empower the student body by promoting safety, cultivating campus life, enabling student success, and increasing representation to foster an inclusive atmosphere throughout the Auburn community.
