RE: Reserve Fund Request for Student Media

Date: August 26, 2019

PSSB: 19-0909-01

I ask for the approval of the following:

A reserve fund request allocation of \$8145.00 to fund the Glomerata for the Student Media SAP. The funding will be going towards the purchase of five iMac computers with upgraded RAM and Magic Trackpads that will ensure longevity and performance. Seeing as the Office of Information and Technology has discontinued the lease program for their current computers, this is a necessity for the continuation of the production of the Glomerata.
