Platform:

War Eagle! We are the Extra Mile Ticket, and we have the privilege of running for re-election as your At-Large Senators in the 2021 SGA Minor Candidate Elections. Each candidate on the Extra Mile ticket currently serves as an At-Large Senator on the 2020-2021 Student Senate, and we would love the opportunity to continue our service as the unitary voice for the diverse population of students here on Auburn's campus. Our main goal is to increase awareness of our role on campus to improve accessibility and communication with our constituents. By achieving this goal, we would empower students to bring forth their opinions and ideas. Just as Auburn men and women believe in the Auburn Creed, we are more than willing to spend our time believing in the student body. We humbly request your support on February 2nd!
