

**Name:** Kaitlin Beyler  
**Year:** Pharmacy Student Year 2  
**Major:** Doctor of Pharmacy

**Qualifications:**

HSOP SGA Senator  
HSOP P1 Class Justice  
HSOP P2 Class Justice  
HSOP Ambassador  
Troy University SGA Freshman Forum Director  
Troy University SGA Director of Administration  
Troy University SGA Chief of Staff  
Troy University Ambassador Vice President

**Platform:** My name is Kaitlin Beyler, and I am a second-year pharmacy student from Alabaster, Alabama. I graduated from Troy University in May 2019 with a B.S. in Biomedical Sciences. It would be an honor to be elected to be the School's Council President for the Harrison School of Pharmacy. This past year serving as the SGA Senator for the HSOP I have had the pleasure of learning more about how the School's Council operates and performs. One of the most important roles of the School's Council President is to communicate with the faculty and staff about the needs of the student body. I believe, that from past experiences of serving as a Class Justice and serving multiple roles on the SGA Executive Board at Troy University, I have learned how to work and communicate with both my peers and faculty. Furthermore, the School's Council President is responsible for leading a team and juggling multiple responsibilities. I believe that my skill set will allow me to perform the duties of the School's Council President. My goal is to be transparent about what is going on within the School's Council and serve my fellow peers to the best of my ability. This year, if elected I hope to enhance the student experience by establishing more student activities and improving upon the activities that we already have. This past year has been difficult navigating pharmacy school through virtual learning, but I believe that it is important for us to keep our end goal in mind: to become the best pharmacists that we can be. I hope that if elected as your next HSOP Student Council President that I can help you become the best student pharmacist by helping to make your time here at the HSOP one to enjoy and remember. I am hardworking, committed, and I believe that my experience and dedication will make me a great fit to be your next School's Council President for the Harrison School of Pharmacy. Thank you so much for your time and consideration. War Eagle!
