I ask for the approval of the following:

The amount of \$44,000.00 to be allocated to the Programming Student Activity Portfolio Budget as a Program Expansion Fund. This money will be used to create a line item on the Programming Budget called "Late Night Programming Fund." The increase in this line item will allow for expansion of late-night alcohol-alternative events. UPC is starting a new initiative to incentivize other organizations to plan their own late-night events, in addition to UPC maintaining its own late-night schedule.
