**Qualifications:**

QualityCare Window Cleaning LLC: Director of Operations

Harbert College of Business Student Council

Full AUctave: President, Treasurer

SGA Cabinet: Director of Auburn Rings

Social Fraternity: Treasurer (2 terms)

**Platform:**

War Eagle,

My name is Joshua Quattlebaum, and I am honored to run to be your next SGA President.

***Full Throttle with Quattle*** is a campaign that strives to put in the hard work to serve all students and push Auburn farther. As it says in the Auburn Creed “I believe that this is a practical world and that I can count on only what I earn”, this campaign will embody that. If elected as your next SGA President, my administration will work tirelessly to let the individual student be heard and served.

**I. *Full Throttle in Campus Life***

Mindfulness of the individual student's daily struggles and commonly taboo topics will create an enjoyable and understanding atmosphere on Auburn’s campus. I aim to be an accessible leader who is an advocate for the unseen and unrecognized. This will be achieved through:

- 1) Creation of a “Student Leadership Resource Team” as part of the Cabinet that holds meetings with organization leaders to aid in organization development of a campus wide “Organization tool kit”.
- 2) Advocating for research into enlarging the student section in the stadium and shortening food lines across campus.
- 3) Working closer with tiger transit to improve the current situation specifically regarding latency issues, updating locations electronically and extending hours.

**II. *Full Throttle in Communication***

SGA exists in order to “Serve and Promote the individual student and unifying all that is Auburn”, to accomplish this, SGA needs to farther close the gap that exists between government and students by:

- 1) Creation of open office hours and open meetings for SGA Executives to better connect SGA to individual students.
- 2) Creation of an International Relations Director position to give voice to international students.
- 3) Change the way the Cabinet is held so conversation is increased among Cabinet members.

### **III. Full Throttle in Initiatives**

Student Wellness and transparency between students and their representatives is perhaps the most paramount facet of Student Government. Becoming aware of the current individual needs will maintain efficient and respectful relationships to ensure requirements are met and understood. This will be done by:

- 1) Creation of an immense campus wide Wellness event, similar to Tiger fest, that promotes positive physical, mental, social, and intellectual health.
- 2) Implementation of more eco-friendly initiatives on campus, such as promoting the usage of compost and natural energy supplies.
- 3) Creation of a dining-dollar donation program.

Auburn Family, I believe that these are achievable goals and will take the hard work and dedication I am excited to give. I believe in using servant leadership to empower the student body through unification.

I ask that on February 4<sup>th</sup>, you choose to join me as we go ***Full Throttle with Quattle*** and take this university to greater heights!
