**Major:** Business Analytics

**Minor:** Finance

## **Qualifications:**

SGA College of Business Senator

DEI Senate Committee Chair

Budget and Finance Senate Committee

Phi Mu Executive Committee

Auburn Women's Lacrosse Club Team Treasurer

## **Platform:**

When I came to Auburn, I did not know what to expect being that I was coming from out of state. I have people ask me repeatedly why I wanted to come to school here and my answer every time is because of the inclusive hospitality on campus. As a freshman, Auburn made me feel at home even when our world was in the middle of a pandemic. The Auburn family never falls short to the expectations that are set so high. Through this role I want to give back to Auburn what it has given me. I have grown more than I could have imagined in the past three years and would not be the same person without this community. SGA is a piece of community that has made me feel heard and included on this campus. If elected, my job will be to oversee the Senate and I will strive to continue building the bridge between the students and the student government. With my platform, I hope to educate more students on what senate does and how their feedback is utilized and appreciated. My goal is for every student to feel like they are represented by SGA because we are a platform for their voice. I am passionate about serving through SGA because of what it has brought to me. SGA has made me feel even more connected to the Auburn family which is such a huge part of the Auburn experience. Acting as the DEI committee chairman of Senate, I have been pushed to see Auburn through the lens of every student. Centered around the Senate, I want to promote an inclusive experience by facilitating legislation that will benefit the campus wholeheartedly. Unifying the student body with Senate is the first step to continuing to leave Auburn better than we found it.
