Put my money where my mouth is... that is what I want to do for Auburn. My name is [Vincent Indovina](#) and I want to invest in every student, experience, and opportunity there is at Auburn as the next [SGA Treasurer](#). My reason for running is simple. I see the financial needs of Auburn students and I want to find solutions.

The financial branch of SGA needs to take a more active role in the financial wellbeing of Auburn students. How are we supposed to help the student body if we don't know their problems? I want to change that. I want to listen to you. We need to hear different ideas and stories so we can find solutions. I want to hear your financial troubles and push for solutions among SGA and Auburn's administration. This is an organization that is here to serve you and I will do that to the best of my ability.

I am ready to be the person that works every day to help alleviate your financial hardships. I am ready to listen and I am ready to serve. To best serve you, my campaign, [Invest in Indovina](#), focuses on three main areas that I will target during my term. As SGA Treasurer, I will [Invest in Affordability](#), [Invest in Accessibility](#), and [Invest in Auburn](#).

**Investing In... Affordability**

- Push for restaurant ["points"](#) and [gift cards](#) to be used at on campus dining locations (Chick fil A, Starbucks, etc)
- [Scholarships](#) for graduate school entrance exams (GRE, MCAT, LSAT, etc)

- Increase **student discounts** around the city of Auburn by expanding and strengthening the AU10 program and the university's relationship with the city's businesses
- **Push for a price cut** for parking permits
- **Discounted** produce sold in C-Stores that was not taken at dining halls
- Bring back "\$1100 + no swipes" dining plan as an option

### **Investing In... Accessibility**

- **Open and advertised office hours** to meet with students to hear their financial needs
- **"Treasurer Tips"** monthly newsletter to connect you to both **on and off campus financial resources**
- Introduce free **financial coaching**
- **SGA funded SGA campaigns** to increase SGA's accessibility to all students

### **Investing In... Auburn**

- **More Auburn Ring** options for men and women
- 1 credit hour **financial wellness class**
- Concourse days to hear financial **feedback**
- Financial wellness online **workshops for class credit**
- **Publicize** ALL SGA expenses
- SGA Financial Projects **updates on social media**

I am running to be your voice. I am running to represent your needs and find solutions to your problems. I am running to serve you.

On February 3rd, I hope you'll **Invest In Indovina** so we can invest in a better Auburn for everyone.

War Eagle,  
**Vincent Indovina**
