War Eagle! Welcome to the Innovate ticket where we have a unique privilege to campaign to be your 2024-2025 At-Large Senators. We aim to Innovate experiences and opportunities for the Auburn student, and we will work to increase this attitude across every facet of SGA. Our main platform is to advocate for the student body, to increase awareness of SGA and to improve communication between Senators and their constituents. As stated in the Auburn Creed, we “believe in honesty and truthfulness,” and we will exhaust every effort to increase transparency between SGA and the students we represent. Furthermore, we “believe in work, hard work,” and we will work tirelessly to support changes brought forth from the student body. We look forward to being able to hear more about your needs and desires, and we humbly request your support on February 2nd.
