My name is Macy Montgomery, and I am a second-year pharmacy student from Meridian, Mississippi. By serving HCOP as an ambassador and a pharmacy camp counselor, I am equipped with the knowledge and skills to take on this additional role of leadership. I am trustworthy, reliable, and passionate about the growth and future of HCOP. The Auburn University creed states: "I believe in honesty and truthfulness, without which I cannot win the respect and confidence of my fellow men."
