**Subject:** SGA Elections Violations

Good evening,

Here are several violations against Abby Boggier, College of Agriculture Vice President candidate. There are violations for using the word vote and using a social media account before the allotted time frame. Attached is photo evidence and highlighted sections from the SGA Code of Laws and Minor Candidate Campaign Packet. There are potentially better lines of the code to support these violations. I apologize if I did not reference the correct ones.

From the Code of Laws:

1008.4.3 Shall be limited to the use of mass media, websites, and all other forms of media outlined in the campaign packet.

1008.5.5 With the exception of mass media, websites, billboards and posters, campaign material, as specified in 1009.1, may only be utilized during the formal campaigning period of elections.

1016.1 All necessary forms and supplemental material that may assist students conducting a campaign may be found in the official candidates' Campaign Packet. However, the Code of Laws overrules the Campaign Packet when there is a discrepancy.

From the Minor Candidate Campaign Packet:

1009.4.1 Campaigning by mass media shall not disturb classrooms, businesses, and/or the privacy of others. No form of mass media shall be utilized to solicit votes or for other campaign paraphernalia, except that which is defined in the campaign packet by the Executive Director of Elections.

1009.4.4 Each candidate must submit a list of official public campaign social media handles and corresponding media platforms to the Executive Director of Elections within twenty-four (24) hours of the start of formal campaigning.
