Major: Finance

Qualifications: Alpha Tau Omega Alumni Relations Chairman (Nov 2023 – Nov 2024),

Historian (Nov 2024 – present)

Auburn Finance Society Member

Beat Bama Food Drive

National Honor Society Vice President

Platform: My name is Copeland Bowman, and I am extremely excited to announce that I will be running for one of the seats on the Harbert College of Business Senate. I look forward to the opportunity to work to continue the College of Business's tradition of developing highly motivated individuals such as myself while giving other students the opportunity to connect and grow as a community. I am extremely thankful for what the College of Business has provided me and all that I've been able to learn and experience while making valuable relationships with those involved within the college. Because I have had such an amazing experience thus far being involved in the college and in Auburn as a whole, I knew I wanted to give back and hope to be able to do so as a Business Senator. Outside of my potential involvement in the College of Business, I have also had the privilege of serving my fraternity as the Alumni Relations Chairman and now as the Historian. During this time, I have been able to connect with so many people and grow in ways that I never would have imagined before coming to Auburn. I love having the opportunity to be able to serve people I care about, and think that the responsibilities I have excelled in carrying out have brought me skills that will serve me well as a senator. I have also enjoyed getting involved with Auburn Finance Society and being able to experience firsthand an amazing program within the College of Business.

I could not be more thankful for Auburn, the Harbert College of Business, and all that these past three semesters have brought me. I am humbled to have the opportunity to represent my fellow business students as a senator, and I cannot wait to see what my running mates and I accomplish.
